The information below summarizes the percentage of exempt interest income received by various BlackRock Closed-End Funds on a state-by-state basis. These percentages may be useful in completing your state tax return. In addition, the percentage of income that represents a tax preference item (relating to tax-exempt interest income from certain private activity bonds) for Federal Alternative Minimum Tax ("AMT") purposes is included for each Fund. Your portion of the exempt-interest income has been included on your Form 1099-DIV.
