Disclaimer

Capital at risk. The value of investments and the income from them can fall as well as rise and are not guaranteed. The investor may not get back the amount originally invested.

All investments involve risks and may lose value. Past performance is not a reliable indicator of current or future results and should not be the sole factor of consideration when selecting a product or strategy.

Changes in the rates of exchange between currencies may cause the value of investments to diminish or increase. Fluctuation may be particularly marked in the case of a higher volatility product or strategy and the value of an investment may fall suddenly and substantially. Levels and basis of taxation may change from time to time.

This material and the information provided herein must not be relied upon as a forecast, research, investment or financial product advice and is not intended to be (in any manner) a recommendation, offer or solicitation to buy or sell any securities or to adopt any investment strategy.
