1 The growth/defensive split refers to the proportion of the portfolio's holdings in growth and defensive assets. Growth assets include equities, property and infrastructure while defensive assets include cash, gold and fixed income.

2 The Indirect Cost Ratio refers to the weighted average management fees of the underlying funds held in the portfolio, and excludes overlay, performance, platform and other administrative fees. This material is provided for informational purposes only and is not intended to be investment advice or a recommendation to take any particular investment action.

A disciplined approach to portfolio construction

Diversified exposure to a wide array of unique return drivers

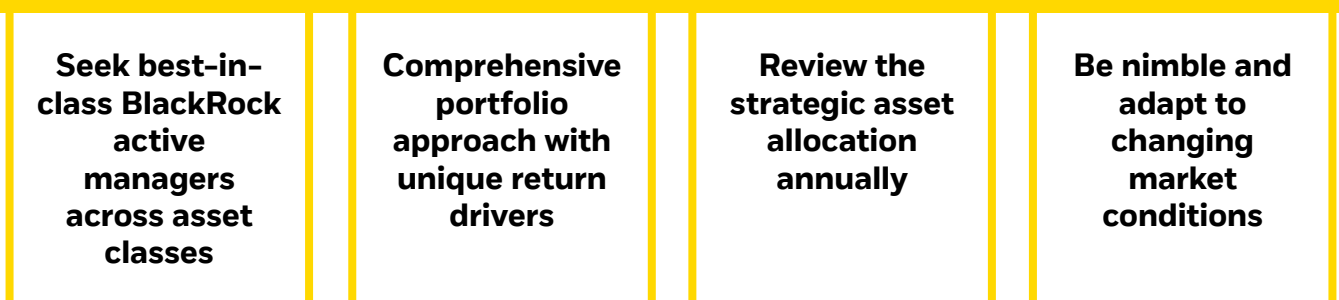

Access differentiated active return sources

For illustrative purposes only. Subject to change. As of October 2024.

* Refers to systematic and fundamental strategies. The former adopts company-level engagement to generate expert insights while the latter uses the power of big data to unlock opportunities.

The right team can help you stay on track

Your adviser has your financial future in mind and can build a strong foundation for your portfolio by starting with BlackRock's Active Multi-Asset Model Portfolios.

IMPORTANT INFORMATION

Issued by BlackRock Investment Management (Australia) Limited ABN 13 006 165 975, AFSL 230 523 (BIMAL).

This material provides general advice only and does not take into account your individual objectives, financial situation, needs or circumstances. Before making any investment decision, you should assess whether the material is appropriate for you and obtain financial advice tailored to you having regard to your individual objectives, financial situation, needs and circumstances. Refer to BIMAL's Financial Services Guide on its website for more information. This material is not a financial product recommendation or an offer or solicitation with respect to the purchase or sale of any financial product in any jurisdiction.

Information provided is for illustrative and informational purposes and is subject to change. It has not been approved by any regulator.

This material is not intended for distribution to, or use by, any person or entity in any jurisdiction or country where such distribution or use would be contrary to local law or regulation. BIMAL is a part of the global BlackRock Group which comprises of financial product issuers and investment managers around the world. BIMAL is the issuer of financial products and acts as an investment manager in Australia.

For BIMAL Schemes: BIMAL is the responsible entity and issuer of units in the Australian domiciled managed investment schemes referred to in this material, including the Australian domiciled iShares ETFs. Any potential investor should consider the latest product disclosure statement (PDS) before deciding whether to acquire, or continue to hold, an investment in any BlackRock fund. BlackRock has also issued a target market determination (TMD) that describes the class of consumers that comprises the target market for each BlackRock fund and matters relevant to their distribution and review. The PDS and the TMD can be obtained by contacting the BIMAL Client Services Centre on 1300 366 100. In some instances the PDS and the TMD are also available on the BIMAL website at www.blackrock.com/au. An iShares ETF is not sponsored, endorsed, issued, sold or promoted by the provider of the index which a particular iShares ETF seeks to track. No index provider makes any representation regarding the advisability of investing in the iShares ETFs. Further information on the index providers can be found in the BIMAL website terms and conditions at www.blackrock.com/au.

Model Portfolios: BlackRock model portfolios themselves are not funds issued by BIMAL. They are offered through third party platform providers which are not affiliated with BIMAL. Any potential investor should consider the latest PDS issued by the third party platform provider before deciding whether to acquire, or continue to hold, an investment. BlackRock model portfolios included in these materials are provided for illustrative and educational purposes only. They do not constitute research, and they are not personal advice from BIMAL. BIMAL is not responsible for determining the appropriateness or suitability of any BlackRock model portfolios, or any of the securities included therein. BlackRock model portfolios include investments in units of funds. Investors will indirectly bear fund expenses in respect of portfolio assets allocated to funds. Information concerning BlackRock model portfolios – including holdings, performance and other characteristics – may vary materially from any portfolios or accounts derived from BlackRock model portfolios included in these materials. There is no guarantee that any investment strategy or model portfolio will be successful or achieve any particular level of results.

BIMAL, its officers, employees and agents believe that the information in this material and the sources on which it is based (which may be sourced from third parties) are correct as at the date of publication. While every care has been taken in the preparation of this material, no warranty of accuracy or reliability is given and no responsibility for the information is accepted by BIMAL, its officers, employees or agents. Except where contrary to law, BIMAL excludes all liability for this information.

Any investment is subject to investment risk, including delays on the payment of withdrawal proceeds and the loss of income or the principal invested. While any forecasts, estimates and opinions in this material are made on a reasonable basis, actual future results and operations may differ materially from the forecasts, estimates and opinions set out in this material. No guarantee as to the repayment of capital or the performance of any product or rate of return referred to in this material is made by BIMAL or any entity in the BlackRock group of companies.

No part of this material may be reproduced or distributed in any manner without the prior written permission of BIMAL.
