*(Note: Only the share classes marked with \* may be offered to the public in Singapore)*

Dear Shareholder,

**We refer to our letter dated 8 March 2021 in which we notified you of our decision to terminate the BGF - ASEAN Leaders Fund and the intention to redeem any outstanding shares on 10 May 2021. We stated in that letter that up until 7 April 2021 we intended to continue to accept outstanding subscriptions from existing regular saver shareholders to allow them sufficient time to effect an orderly exit from the Fund. We have now determined to extend this period to 7 May 2021 to provide such existing regular saver shareholders with additional notice, should they require it. Please see Section 2 below for the revision to the original letter. The remainder of the original letter remains unchanged and is restated below.**

We continually review our fund range to ensure that the investment characteristics and positioning of our funds remain both relevant and consistent with the current investment environment and expectations of our clients. After careful consideration, the board of directors (the "**Directors**") of BlackRock Global Funds (the "**Company**") is writing to notify you that it has decided to terminate the ASEAN Leaders Fund (the "**Fund**") for the reasons set out below. The assets held in the underlying investment portfolio of the Fund (the "**Assets**") will be liquidated by the end of the liquidation period, and it is intended to redeem any outstanding shares on 10 May 2021 (the "**Effective Date**").

Terms not defined in this letter have the same meaning given to them in the Company's prospectus (available at [www.blackrock.com/sg](http://www.blackrock.com/sg)) (the "**Prospectus**").

### 1. Background and decision

The Fund was launched in August 2012 and as of 1 March 2021 the Fund's Net Asset Value was approximately USD51 million. A lack of new investor interest means we do not expect to raise significant further subscriptions in the near future, and continuing to manage the Fund at this size will result in a higher cost of investing (relative to running the Fund at its intended greater size), which we believe is not in the best interests of shareholders.

In accordance with the Prospectus and Article 28 of the Articles of the Company, the Directors may determine to terminate a sub-fund of the Company in circumstances where they deem it in the interests of the shareholders. The Directors have therefore determined, in accordance with the Prospectus and the Articles, to liquidate the Assets and distribute redemption proceeds to shareholders.

### 2. Your options

**UPDATE: Further subscriptions to the Fund are no longer permitted. However, up until 7 May 2021 we intend to continue to accept outstanding subscriptions from existing regular saver shareholders where such outstanding subscriptions have been agreed with the relevant saver prior to 8 March 2021. This extended period has been determined necessary in**

**order to allow sufficient time for such existing regular savers to effect an orderly exit from the Fund.** Shareholders have 3 options available to them. If option 1 or 2 is chosen, an instruction must be received no later than 7 May 2021. If option 3 is chosen shareholders do not need to take any action.

#### Option 1: Switch

Up until the Effective Date and in accordance with the terms of the Prospectus, shareholders may request a switch of their shareholding, free of any charges, into the same or another class of any other sub-fund of the Company, provided that the shareholder satisfies the conditions applicable to an investment in the applicable share class. Shareholders should refer to the Prospectus for details of the fees and expenses associated with each share class. Shareholders are reminded that they should seek their own advice as to the suitability of any alternative investment option. Shareholders wanting to switch should do so in accordance with the Prospectus and in advance of the Effective Date. If you require further assistance, please contact the Singapore Representative.

#### Option 2: Redeem in advance of the Effective Date

Alternatively, as of the date of this letter and up until the Effective Date, shareholders may request the redemption of their shares free of any redemption charges levied by BlackRock.

#### Option 3: Automatic redemption

If you do not request a redemption or switch of your shares before the Effective Date, on the Effective Date, your shares will be automatically redeemed in accordance with the Articles (copies of which are available for inspection by investors, free of charge, at the office of the Singapore Representative during normal Singapore business hours).

### **3. Redemption proceeds**

A contract note and confirmation of any redemption of shares will be sent following the redemption. Redemption proceeds will normally be paid to shareholders within three Business Days following the relevant Dealing Day, provided that all necessary payment instructions have been received in writing and that all necessary identification documentation has been provided. Details of these requirements are available from the Singapore Representative.

Proceeds not claimed by shareholders at close of liquidation of the Fund will be deposited at the Caisse de Consignation in Luxembourg and shall be forfeited after thirty years.

### **4. Costs**

The Investment Adviser has made a provision for the estimated costs of executing transactions in the underlying Assets in the portfolio (approximately USD 61,000). Such provision has been accounted for in the Net Asset Value per share of the Fund with effect from 24 November 2020 (the date the Directors approved the termination of the Fund) so that all shareholders in the Fund as at such date bear a pro-rata share of the estimated transaction costs, whether or not they switch or redeem their shares (options 1 or 2 above) in advance of the Effective Date. Please note that while this provision is an estimate only, it represents the Investment Adviser's best estimate of costs and it is not anticipated that the final transaction costs would materially deviate from the provision made under normal circumstances. However, if any transaction costs are in excess of the provision, these transaction costs will be borne by the Fund as part of the liquidation. If the actual transaction costs are less than the provision, any excess amounts remaining after all liabilities have been discharged (which may be some time after liquidation) will be distributed to shareholders who have remained invested in the Fund up to the Effective Date. While a provision is made for the estimated costs of executing transactions in the underlying Assets in the portfolio, Shareholders should note that the Directors may continue to adjust the Net Asset Value per share of the Fund in order to reduce the effect of dilution on the Fund as disclosed in the Prospectus.

The legal and mailing costs incurred as part of the liquidation of the Fund will be paid by BlackRock.

The Fund does not have any unamortised preliminary expenses as at the date of this letter.

### **5. Preparing the Fund for closure**

From the date of this letter up to and including the Effective Date (the "**Liquidation Period**"), BlackRock will seek to continue to manage the Fund in accordance with its investment objective and policy and in accordance with the UCITS rules as they apply in Luxembourg. However, in seeking to terminate the Fund in shareholders' best interests the Fund may not always be compliant with its investment objective and policy or with the UCITS rules during the Liquidation Period (notably in the days immediately preceding the Effective Date) as it may be necessary to begin selling down Assets.

Please also note that if your shareholding in the Fund constitutes a significant holding of the Fund's Assets, we may be required to structure the redemption of your shares in a manner which ensures the fair treatment of remaining shareholders. For example, the Company will not be bound to redeem on any one Dealing Day more than 10% of the value of shares of all share classes of the Fund then in issue or deemed to be in issue, and any redemption orders may be deferred by the Company in accordance with the provisions of the Prospectus.

## 6. Tax consequences

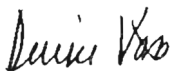

Shareholders should note that the redemption or switching of their shareholding into another sub-fund of the Company may represent a disposal of shares for tax purposes in certain jurisdictions. Shareholders may be subject to taxation in their tax domicile and/or in any other jurisdictions in which they are subject to taxation. As tax laws differ widely from country to country, shareholders may wish to consult their personal tax advisers as to the tax implications of the redemption or conversion of their shareholding.

## 7. General information

The Directors accept responsibility for the contents of this letter. To the best of the knowledge and belief of the Directors (who have taken all reasonable care to ensure that this is the case) the information contained in this letter is in accordance with the facts and does not omit anything likely to affect the impact of such information.
