FUND OVERVIEW

- The Fund aims to outperform the MSCI USA ESG Ex Select Business Involvement Screens Index (Benchmark Index) over a rolling three year period.
- The Fund seeks to invest at least 80% of its assets in the equity securities (e.g. shares) of companies incorporated in, listed in, or the main business of which is in the US and instruments related thereto, including financial derivative instruments (FDIs) (i.e. investments whose prices are based on one or more underlying assets). The Fund may also invest in other equities and equity-related securities and/or instruments, deposits and cash.
- The Fund will invest in sustainable investments and its total assets will be invested in accordance with its exclusionary policy as disclosed in the prospectus supplement. For further details regarding the exclusionary policy (and the applicable levels) please refer to the prospectus supplement. The Fund may obtain indirect exposure (e.g. through certain FDIs) to securities considered not to satisfy the exclusionary criteria.

CAPITAL AT RISK: The value of investments and the income from them can fall as well as rise and are not guaranteed. Investors may not get back the amount originally invested.

KEY RISKS:

- The value of equities and equity-related securities can be affected by daily stock market movements. Other influential factors include political, economic news, company earnings and significant corporate events.
- The Fund seeks to exclude companies engaging in certain activities inconsistent with ESG criteria. Investors should therefore make a personal ethical assessment of the Fund's ESG screening prior to investing in the Fund. Such ESG screening may adversely affect the value of the Fund's investments compared to a fund without such screening.
- Counterparty Risk: The insolvency of any institutions providing services such as safekeeping of assets or acting as counterparty to derivatives or other instruments, may expose the Fund to financial loss.
