Exhibit “A”

**Statement of Policy on Criteria  
For Selecting Independent Trustees**

The Governance & Compensation Committee (the “Governance Committee”) of the Board of Trustees (the “Board”) of BlackRock Private Credit Fund (the “Fund”) has adopted this Statement of Policy to memorialize its views as to the appropriate criteria for selecting individuals qualified to serve on the Board as trustees that are not “interested persons” as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the “1940 Act”) of the Fund (the “Independent Trustees”).

**A. The Governance Committee expects that all candidates for Independent Trustee will have the following characteristics:**

- Unquestioned integrity.
- The candidate may not be an “interested person” of the Fund or its affiliates within the meaning of the 1940 Act.
- The candidate should have no material relationship that could create an appearance of lack of independence in respect of the BlackRock Capital Investment Advisors, LLC and its affiliates (the “Advisor”). Material relationships can include commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships (among others).
- The candidate should be able to act independently in fact in respect of the Advisor and its affiliates. It is expected that Independent Trustees will play an active and, if necessary, an adversarial role in pursuing the best interests of the Fund and shareholders.
- The candidate should currently serve as a director or trustee of not more than 5 public companies, provided that directorships on companies in a family of funds shall count as if such person was a director or trustee of an aggregate of a single company. The candidate must be able to attend at least four meetings per year of the Board plus Governance Committee meetings.
- The candidate needs to have demonstrated sound business judgment gained through broad experience in significant positions where the candidate has dealt with management, technical, financial or regulatory issues.
- The candidate should have sufficient financial or accounting knowledge to add value in the complex financial environment of the Fund.
- The candidate needs the capacity for the hard work and attention to detail that is required in light of the Fund’s complex regulatory, operational and marketing setting. In light of the Board retirement age of 75, the candidate should be of an age that he/she is able to serve for a number of years. The candidate should have no medical restrictions that would preclude him/her from actively participating in

meetings, subject to reasonable accommodations. In-person attendance is required for certain meetings under the 1940 Act.

**B. The following characteristics are desirable, but not mandatory:**

- There is a strong preference for candidates who have prior experience serving on corporate and other Boards. This helps assure that they have other exposure to current governance issues and business practices. Candidates should not, however, have board memberships or other relationships that could result in business or regulatory conflicts with the Fund.
- The candidate should be available to participate in ad hoc Board and committee meetings throughout the year on relatively short notice.
- The candidate should have experience in investments of the type made by the Fund, including but not limited to, direct loan originations made by a non-depository institution.
- The candidate should have diversity of interests evidenced by participation in community, charitable or other similar activities.

**C. The following are desirable characteristics of the Independent Trustees as a group:**

- The Independent Trustees will generally be drawn from the ranks of respected and accomplished senior business, government, professional and academic leaders.
- The Independent Trustees will strive to achieve diversity.
- The Independent Trustees as a whole should reflect a diversity of experience.
- At least one Independent Trustee should be an “audit committee financial expert,” as such term is defined by the Securities and Exchange Commission.
- The Independent Trustees as a whole will strive to achieve a balance of experience in respect of industries, management roles and other experience and technical expertise.

In reviewing potential candidates and in nominating persons to serve as Independent Trustees of the Fund, the Governance Committee shall not discriminate against any candidate based on his or her race, religion, national origin, gender, physical disability and other factors not relevant to the candidate’s ability to serve as an Independent Trustee.
